Press Release - 11-5-2003 Children's Cultural Center Seeks Previously Utilized PC Software and Hardware for Deserving Kids

Bucks County, Pennsylvania - The Children's Cultural Center needs your help....

We have established a partnership initiative with Market Scan Corporation; the regional representatives remove leased, two year old Dell computers from area auto dealerships, and seek to donate these units for the use of children. Between the two local district reps, we will be receiving up to thirty (30) units a year. We now have three in hand, with a fourth expected before the end of the year. How you can help:

1. Supply no longer utilized, **but licensed** software (the hard drives are *totally* erased, so these units will even need windows.
2. Supply new or previously utilized 3 ½" floppies to distribute with computers
3. Assist to establish an application process for children to apply to have one of these units (our first target population is at risk teens in Alternative Schools)
4. Serve on a committee to evaluate and award these computers to deserving applicants.
5. Advocate to other technology companies and specialists to assist us.

We are a 501(c) (3) organization, and provide letters of thanks and acknowledgement to all donors for their tax records.

If you or your clients, acquaintances, etc. can help, please contact Jackie Liney
