Press Release – 3-25-2004 Inaugural Golf Classic

Bucks County, Pennsylvania - The Children's Cultural Center has announced the creation of a new fundraising event, The Inaugural Golf Classic, to be held July 12, 2004 at the Northampton Valley Country Club.

"This fundraiser will help us to achieve our goal of educating the students of Council Rock in the rich history and culture of the school district," explained Jackie Liney, Executive Director of the Center. The golf outing is intended to fund a pilot program that will include interactive multi-media resources.

The Center is actively seeking companies in the area to financially support the event through sponsorships. "We have kept the sponsorships to a minimum so that the companies who participate will get maximum exposure," says Scott Little of Third Federal Bank, who is Committee Chair for the event. "We've put together an event that our golfers and sponsors alike will enjoy," Little continued.

Honorary Chairpersons of the event are Congressman James C. Greenwood and Vaughn Hebron, retired NFL star and Co-Director of Tanscend Sports Training Centers. **"Bucks County has a rich cultural history, and the earlier we share it with our young people, the more likely that they will continue the tradition," said the Congressman.**
