Press Release – 10/6/2005

Bucks County, Pennsylvania – International Day Celebration was established to promote awareness, understanding and a continued dialogue between the diverse cultural groups of Bucks County and the Region.

Through the performances, food and activities, this year's event will offer opportunities to "visit" every continent in the world. Children or all ages may receive an Around the World passport by stopping by the Information Booth, and then proceed on their tour.

Following all the entertainment, citations and proclamations will be presented to the Children's Cultural Center to mark their 15 years of service to the Bucks County community. Be on hand to sing happy birthday, and partake of the cake. For additional details, visit the International Day website www.international-day.com or contact the CCC office (215) 230-0160
